

Genetically Modified Material

Date: 03.03.2020

Nature's Laboratory Ltd. supply a range of products which are internationally sourced from approved suppliers. Information is gathered from all suppliers to enhance the product knowledge and supplier handling procedures. We are committed to supplying best quality herbs and material from reliable sources around the world.

Although we are confident that the products we purchase are grown and sold in accordance with Regulation No 1829/2003/EC (on genetically modified food and feed) and Regulation No 1830/2003/EC (concerning the traceability and labelling of genetically modified organisms and the traceability of food and feed products produced from genetically modified organisms), we cannot guarantee absolute freedom from adventitious contact with GM materials, which are out of our control.

Customers will be alerted immediately of an issue relating to the presence of genetically modified products which could affect products supplied by Nature's Laboratory Ltd.
